Under Section 12 (4) of sore Labour Act XIII of 1942, the Government of His ess the Maharaja of Mysore are pleased to publish for information the accompanying report of the Chief iator in Mysore, regarding the failure of conciliation dings in the dispute between the Shimoga District obile Workers' Association, Shimoga and the Manage-f the Central Karnataka Motor Services, Ltd., Shimoga, ect of a notice of change by the former, demanding (*a*) increments to the Drivers, Conductors, etc., and (*b*) nt of one month's salary as Bonus for 1946-47.

MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

)E OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Notification No. C. C. 5—47, dated 22nd December 1947.

he Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore.

ve the ho our to make the following report under n 12 (4) of the Mysore Labour Act, relating to a dispute en the Shimoga District Automobile Workers' Associa-Shimoga, and the Management of the Central Karnataka Services, Ltd., Shimoga, demanding (*a*) yearly ients to the Drivers, Conductors, etc., and (*b*) payment month's salary as Bonus for 1946-47.

President of the Labour Association gave to the gement of the Central Karnataka Motor Services, Ltd., ga, a notice of change dated 8th September 1947, forth the following two demands:—

"Yearly increments to the Drivers, Conductors, Fitters, Mecha-tc., which were given in the month of July have not been given ear. Hence the usual increments should be given to all the ees from July this year with retrospective effect from July 1947"

"One month's salary in the shape of Bonus should be given to Employees for the year 1946-47 ending on 30th June 1947".

he Assistant Commissioner of Labour, Mysore Division, ried to contact the parties, did not get a reply to his from the Management of the Company, the Commis-of Labour in Mysore referred the case to this Office for ing conciliation proceedings under Section 10 (3) of the ir Act.

case was thereupon registered, and it was specially for hearing at Bangalore to the 22nd December 1947 r to-day), and intimation sent on the 11th December *i.e.*, eleven days beforehand to both the parties.

Secretary of the Company sent a letter to this Office, wledging receipt of the intimation of the hearing date and g that his Managing Director has other pressing ments and is not able to attend this case on the 22nd ber and asking for a date after the 15th January

That letter was received on the 16th December, mmediately a reply was sent (on the 17th) to the ary of the Company, stating that this conciliation case een specially posted to the 22nd instant, nd that, if it possible to the Managing Director to attend on that day, the Company's Secretary or other authorised person appear on behalf of the Management for the conciliation eding, and that, as the case was pending long and has specially posted for hearing on the 22nd instant, it was ossible to adjourn the hearing to a date next month. I appealing and requesting the Secretary of the Company ke it convenient to attend the case himself or depute er for the hearing on the 22nd instant, and co-operate

To-day being the day of hearing, the case was called at the appointed time, for being taken for hearing. The Labour Association President, Mr. K. S. Ramachandra Setty, appeared on behalf of the Association and was present for the hearing. But, on the other side, the Company's Secretary or any representative, on behalf of the Management did not at all appear, in spite of my special request and appeal, five days beforehand. I waited for three hours, hoping that some representative on behalf of the Management would appear for the hearing. But, it was in vain. There is no letter of excuse either, received from the Management.

In the circumstances, it has to be said that the failure of the Management (employer) to appear for the hearing of this Conciliation case is a knowing one and that the Management (Employer) is not anxious to attend the conciliation proceedings and explain the position or come to a settlement of the dispute. As such, no agreement is possible.

The Labour Association President and Representative, present, presses the demands and urges that the non-appearance of the Employer, either by the Company's Secretary or any other Representative in spite of due intimation before hand, is tantamount to wilful disobedience or to a contempt on the part of the Management (Employer) and that some notice may be taken, or the Employer should, by a warrant, be compelled to appear.

All things considered, it seems to me that no useful purpose would be served by further postponing this case and enforcing the attendance of the Employer and that the proceedings may be closed, treating the Employer's non appearance as an indication of the Management's not being keen to come to a settlement of the dispute, and declaring it as a failure of conciliation proceedings.

In the result, the proceedings may be deemed as a failure, and I report accordingly.

I request that this report may be published in the Gazette, as required under Sub-Section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

NAVANEETHAM,
Chief Conciliator.
